

The Emin Way Presents

Inspiration, Willingness and Hope 'The Medicine of the Gods'

Have you ever met or been around someone who always seemed to be "on" – i.e., energetic, always happy, full of bright ideas? It is not what we usually encounter in our standard fare of social media and entertainment or even just daily life.

Complaint, depression, unhappiness, and loneliness are often considered the norm, but it doesn't need to be this way. With the right understanding, the choice is ours!

The qualities of Inspiration, Willingness and Hope bring amazing beneficial effects throughout the whole, including, yet extending well beyond the physical.

You are invited to join us on Saturday to explore this powerful 'Medicine of the Gods', available to those who make a genuine effort.
